IF and COMPARE InstrText Edge Cases

Each field has a deliberately stale cached result. Jade must evaluate the reconstructed instruction instead of displaying that cache.

120

Bookmark IF: Approved value

Wildcard COMPARE: 0

Numeric COMPARE: 0

Omitted FalseText: []

Nested COMPARE operand: Nested false

Nested bookmark operand: Bookmark denied

120 - Same-paragraph bookmark: Inline denied

Nested REF operand: REF approved

North Region

Spaced nested REF right operand: Matched full region

The "quoted" region

Quote-bearing nested REF operand: Quoted value rejected

Empty quoted operands: Empty matched

Compact empty operands: Compact empty matched

Nested empty result: Nested empty rejected

Quoted numeric Expression2: Numeric equal

Quoted bookmark-name literal: Literal differs

Nested quoted numeric COMPARE: Stale quoted nested

Quoted Expression1 literal: Quoted left literal

Nested quoted string COMPARE: Stale nested literal

Forward bookmark nested COMPARE: Stale forward cache

Forward bookmark source follows its consuming field.

120

Wildcard 128-character cap: Unlimited wildcard
